

## Hockey Humanitarian Award Nomination Form 2020-21

### Hockey Humanitarian Award Foundation

The Hockey Humanitarian Award is presented annually to college hockey's "finest citizen" and seeks to recognize college hockey players, male or female, who contribute to local and/or global communities in a true humanitarian spirit.

Each year the Hockey Humanitarian Award Foundation receives many submissions from SID's and hockey coaches across men's and women's Divisions I – III varsity programs. The committee then reviews the achievements of this group of nominees. Since 1996, we have welcomed a wide range of candidates, including team captains, role players and campus leaders – all of whom have led volunteer efforts that help children, the handicapped, the homeless and the disadvantaged. These student-athletes reaffirm each year that there are, throughout this and other college sports, young people who deserve notice for reasons that ultimately are far more important than mere personal athletic statistics or won-lost records.

We certainly hope that the Humanitarian Award will again be presented at the Men's Frozen Four in conjunction with the Hobey Baker Memorial Award in Pittsburgh on April 9, 2021. A list of nominees will be announced in January followed by a list of finalists. All finalists will be interviewed in-person or via Skype.

Please follow the nomination requirements and submit via the HHA website or return this nomination form **on or before December 23, 2020:**
