

## Hockey Humanitarian Award Nomination Form 2026-2027

### Hockey Humanitarian Award Foundation

The Hockey Humanitarian Award is presented annually to college hockey's "finest citizen" and seeks to recognize college hockey players, male or female, who contribute to local and/or global communities in a true humanitarian spirit.

Each year, the Hockey Humanitarian Award Foundation receives many submissions from SIDs and hockey coaches across men's and women's Division I-III varsity programs. The committee then reviews the achievements of this group of nominees. Since 1996, we have welcomed a wide range of candidates, including team captains, role players, and campus leaders—all of whom have led volunteer efforts that span a wide variety of causes, such as helping children, the handicapped, the homeless, and the disadvantaged.

These student-athletes reaffirm each year that there are, throughout this and other college sports, young people who deserve notice for reasons that ultimately are far more important than mere personal athletic statistics or won-lost records. Nominating a student-athlete honors their work in the community and reflects positively on both your hockey program and your school.

The Humanitarian Award will be presented on April 9th, 2027 at the Men's Frozen Four in Washington, D.C. in conjunction with the Hobey Baker Memorial, Mike Richter, and Derek Hines Unsung Hero Awards. A list of nominees will be announced in January followed by a list of finalists. All finalists will be interviewed in person or via video.

Please follow the nomination requirements and submit your material **on or before December 23, 2026** via the HHA website or return this form to:
